Dear Alton Lions,

We would like to thank you for supporting us again this year with a donation of £200 towards the cost of our year 6 residential trip to the East Dene Centre on the Isle of Wight, which should have taken place this month.

Although the visit has not gone ahead due to the Coronavirus pandemic, we are hopeful that the trip will run next year and we will use your donation then to part-fund places for four children whose families would otherwise have been unable to afford the cost of the visit.

For some of our children, a school residential trip is the first time they have been away from home or had an opportunity to spend time apart from their families and do things independently. Thank you for helping them to enjoy an experience that they should remember for years to come.

Kind regards,

Emma Humphrey
